

COMMERCIAL 100% SILICONE CAULK

- Interior/ Exterior use
- Use with stone or tile
- Suitable for expansion joints, wet and submerged areas
- Permanently flexible
- ASTM C920 / C794 Compliant

PRICE

PRODUCT DESCRIPTION

Commercial 100% Silicone Caulk designed for use in coves, corners, changes in plane and expansion joints associated with exterior and interior applications of tile and stone. Can be used in pools and other wet area applications. Conforms to ASTM C-920 and ASTM C-794 properties.

AREAS OF USE

- Exterior and interior use
- Around tubs, showers and sinks
- Swimming pools and other wet area applications
- Joints for ceramic tile & stone applications
- Expansion joints in residential and commercial applications

APPLICATION

Surfaces should be clean, dry and free of all contamination including old caulk or other sealants. Cut tip off nozzle on a slant to desired opening size. Completely fill joints with caulk. Smooth or clean off excess caulk with mineral spirits or paint thinner before caulk cures. After cure, remove excess with a razor blade. Do not apply when temperatures fall below 40° F (4° C).

IMPORTANT: Commercial 100% silicone Caulk is not a paintable surface. Painting should be done prior to installation.

DRYING TIME

Protect finished work from traffic and exposure to water until fully cured, generally 24 hours at 70° F (21° C).

CLEAN-UP

Clean all tools with paint thinner or mineral spirits before material dries.

STORAGE

Replace cap after each use. Store away from extreme heat or cold. Keep from freezing.

CAUTION

KEEP OUT OF REACH OF CHILDREN. DO NOT TAKE INTERNALLY. AVOID EYE CONTACT. STORE AWAY FROM EXTREME HEAT OR COLD.

WARNING: This product contains one or more chemicals known to the State of California to cause cancer.

LIMITED WARRANTY

Custom Building Products ("Custom") warrants to the original consumer purchaser that its product shall be free from defects in material and workmanship under normal and proper usage for a period of one year following the date of original purchase. Custom's sole liability under this warranty shall be limited to the replacement of the product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty will not extend to any product which has been modified in any way or which has not been used in accordance with Custom's printed instructions. Custom makes no other warranties either express or implied. This warranty gives you specific legal rights, and you may have other rights that vary from state to state.
