

GROUT STAIN

GROUT STAIN is a long lasting and highly wear-resistant grout stain, used to change or restore tile grout joints. Available in 37 colors.

Basic Use

GROUT STAIN is a finish top coat and can be applied over sand/cement ceramic tile grout joints or other porous cement surfaces. It dries to a matte finish that maintains the granular appearance of a ceramic tile grout joint. GROUT STAIN provides a glare free, uniform colored surface that is resistant to wear, sunlight, water and moderate temperatures.

Limitations

GROUT STAIN should not be used in areas where high acid resistance is required. In areas of intermittent mild acid exposure, we recommend a small area should be tested to determine the suitability of the stain under day to day conditions. GROUT STAIN is not recommended for use in areas that are subject to constant moisture exposure.

Preparatory Work

The grout joint must be thoroughly cured, dry, free from all alkali, moisture spots, paint, wax, sealers and surface contamination that would prevent the absorption of the GROUT STAIN.

Application

Mix GROUT STAIN thoroughly. Use as it comes from the can. Do not thin. Thinning affects hiding power and may cause lap marks. When more than one container is to be used, mix all containers to avoid color variation. For best results apply a thin uniform coat by brush. Finish off area with strokes in one direction. A second coat may be applied if necessary 2 - 4 hours after the first. Do not apply if rain, dew, fog or high humidity is expected within two hours of application. Stir contents frequently during use. Keep lid on can to avoid stain drying inside can during use.

Ordering Information

Item Code	Color	Size	Package
119xx0	Available in 37 standard colors.	1 qt. (0.9 L)	Can
Custom colors can be formulated.			

Curing

GROUT STAIN becomes surface dry in 4 hours.

Cleaning

Before drying GROUT STAIN may be cleaned using clean water. After drying, use a dampened nylon Scotch Brite pad to scrub stain off.

Warranty

Seller warrants that should this product prove to be defective material, it will replace the same or refund the purchase price of the goods. THIS WARRANTY IS IN PLACE OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED. WARRANTIES OF MERCHANTABILITY AND OF FITNESS ARE HEREBY DISCLAIMED. The suitability of a product for an intended use shall be solely up to the user. Seller assumes no liability for consequential damages. Its liability shall in no event exceed the purchase price of the materials supplied by it. No person has the authority to change these items and there are no warranties except as herein stated.

Caution

Do not take internally. Contains acrylic resin. If swallowed, induce vomiting immediately. In case of eye contact, do not rub eyes. Flush thoroughly with clean water for a minimum of 15 minutes. In either case, call a physician immediately. If splashed on skin, wash thoroughly with soap and water. KEEP OUT OF REACH OF CHILDREN.
